Dear Collectors and Dealers:

Once again I submit for your consideration a varied lot of coins, medals, etc. Among the 1,000 lots listed there are coins for all. No \$5,000 beauties but many fine pieces. The coins listed in parenthesis are the numbers in Raymond's Coins of the World 19th and 20th century.

Kindly send in your bids early; if two bids are the same the first one received gets the lot. I have endeavored to describe the condition conservatively.

Collectors wanting information in addition to descriptions, kindly write.

Thanking all who have made it a successful series of 24 sales and may I have the pleasure of serving you in the future.

Sincerely yours,

1462 Culver Road
